## Product Features:

- Updated for use with microwave / PIR sensor and emergency kit (each accessory sold separately)
- Microwave sensor has Bluetooth capability which enables users to create switchable groups on the same network
- Delivering 150lm/W
- Vandal resistant high impact polycarbonate housing
- Tool free installation
- Adjustable push fit terminals at either end for quicker installation and through wiring
- Opal diffuser to provide smooth even light distribution
- 2 x IP66 rated cable glands supplied
- 25° to 40° ambient operating temperature
- Power factor 0.9

## Product Specification:

Installation Type	Surface or Suspended
Input Voltage	220 - 240V
Luminaire Materials	Polycarbonate
Lifetime	50,000
CRI	80
IK Rating	IK10
IP Rating	IP66
Warranty	5 Years

## Warranty:

This product has a warranty period of 5 Years. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserve the right to alter.
