## Product Features:

- Highly polished glass Iris lens
- Internal driver
- Flicker free

## Product Specification:

|                     |            |
|---------------------|------------|
| Installation Type   | Wall Mount |
| Input Voltage       | 200 - 240V |
| Luminaire Materials | Aluminium  |
| Lifetime            | 50,000     |
| CRI                 | 80         |
| IK Rating           | IK06       |
| IP Rating           | IP65       |
| Warranty            | 5 Years    |

## Warranty:

This product has a warranty period of 5 Years. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserve the right to alter.
