Product Features:

- Super-durable due to high pressure die-cast aluminium housing and toughened glass lens.
- Wattage selectable
- 3 CCT Selectable (4000K / 5000K / 5700K)
- Available with asymmetric lens for better light distribution and
- Low light pollution
- Integrated wiring compartment for loop-in & out with easy
- Flicker free
- 10kV surge protection

Product Specification:

Installation Type	Surface Mount
Input Voltage	120 - 277V
Luminaire Materials	Die Cast Aluminium
Lifetime	50,000
CRI	80
IK Rating	up to IK08
IP Rating	IP66
Warranty	7 Years

Warranty:

This product has a warranty period of 7 Years. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserve the right to alter.
